olive

**EARLY HARVEST NATURAL
EXTRA VIRGIN OLIVE OIL**
A unique flavor from fresh
olives.

**Green olives are picked early
from the branch before they
fall to the ground and carefully
squeezed the same day.**

**Bottled without losing their
freshness, olive oils reach
your tables preserving their
unique, fresh scent and unique
flavor**

**Early harvest olive oil, which
becomes suitable for
consumption within hours,
contains plenty of
antioxidants thanks to this
feature and is extremely
healthy**

**It has a unique scent, aroma
and brightness due to the
effect of the intense
antioxidants it contains. You
can safely consume it as an
avalanche, especially in
breakfasts, cold appetizers
and delicious Aegean style
salads, and you can take it as
a food supplement.**
